NH Foods Group Sustainable Procurement Policy

In its procurement activities, the NH Foods Group builds relationships of trust with its business partners and promotes sustainable initiatives in cooperation with them on the basis of coexistence and co-prosperity.

1. Comply with laws and social norms and build systems for compliance

We comply with laws, regulations, and social norms. In addition, we build systems for such compliance.

2. Ensuring the quality and safety of products and services

We strive to enhance product safety and quality in accordance with The NH Foods Group Quality Assurance Policy.

3. Fair and equitable transactions

We judge products, services, results, prices and reliability, etc. in a comprehensive manner. Also, we establish fair and equitable opportunities for entry into the market.

4. Respect for human rights

We respect and give serious consideration to international standards and opinions regarding human rights.

5. Promotion of health management and occupational safety and health

We support employees' health maintenance and promotion activities and promote the creation of a vibrant work environment.

6. Consideration for the Global Environment

We work to decrease environmental impact with parties in the supply chain in accordance with the NH Foods Group Environmental Policy to realize a sustainable society.
